Implanting new ideas in the ancient way of healing

Established in 2007, Mahatma Gandhi Ayurved College, Hospital & Research Centre is a sprawling campus in an area of 19 acres in Salod (Hirapur), Wardha, about 80 km from Nagpur, the geographic centre of India.

Its location away from the hustle and bustle of the city makes it an ideal place for Ayurvedic research and practice. Amidst serene surroundings, the Institute provides umpteen facilities, such as a bank, post office, shopping complex, Sai temple, gymnasium, etc., thereby making it a self-sustaining centre of excellence in Ayurveda.
