

Datta Meghe Institute of Medical Sciences

[Deemed to be University] Faculty of Ayurved

Course: MD/MS Ayurved

Subject wise List of Approved Synopsis

Samhita Siddhanta			
SN	Academic Year	Code	Title of Synopsis
1	2013-14	S.S.	To Study the efficacy of Datrangi Patra Kalka (Ehretialaevis Roxb.) in Vrana
2	2013-14	S.S.	The Preliminary Study of Medohar Effect of Musta (Cyperus Rotundus) with respect to Lipid Profile
3	2013-14	S.S.	Comparative study of Abhyantar Tail Pan and Abhyanga in patient of Sandhivata with respective to Osteoarthritis of Knee joint
4	2013-14	S.S.	Preliminary study on Taruni (Rosa centifolia) Arka in alleviating Anxiety Neurosis
5	2014-15	S.S.	Study of relation between Trigunas and academic performance among health professional students
6	2014-15	S.S.	Critical analysis of Ahara & Vihara in patients of Hypertension in Wardha
7	2014-15	S.S.	Study of Khalitya with special reference to Dehaprakruti
8	2014-15	S.S.	Comparative study of Sesame (Sesamum indicum) Taila and Goghrita Padabhyanga in Nidranasha (Insomnia)
9	2016-17	S.S.	Assessment of Hetu in recurring Mukhapaka
10	2016-17	S.S.	Assessment of effect of Rutu Haritki on biological parameters
11	2016-17	S.S.	Effect of Vardhaman Pipali (Piper longum) Rasayan on BMI in healthy individual
12	2019-20	S.S.	Conceptual Study of Brihan and its Co-relation with Nutritional Analysis of Brihaniya Dravya
13	2020-21	S.S.	Assessment of Deha Prakriti in Post-Covid patients with special reference to Janpadodhwans
14	2020-21	S.S.	Study of Trisutra in Urdhvag Amlapitta and its management by Vasaghrut w.s.r. to Chakradatta
15	2020-21	S.S.	Role of Dehaprakruti and Manasprakruti in manifestation of kitibhakushtha(psoriasis)- A case control study
Rachana Sharir			
1	2013-14	R.S.	The study of Ayurvedokta Hriday Utpatti with Special reference to Valvular & Ichemic Heart diseases
2	2013-14	R.S.	Establishment of Ayurvedic Parameters (Anguli Pramana) in Assessment of Karshya W.S.R. to Malnourished Children
3	2013-14	R.S.	The study of Osteogenic Changes in Janu Sandhi in Post Menopausal Woman
4	2013-14	R.S.	The study of Sthanmool Marma & its viddha lakshanas with special reference to Tubercular pleural effusion
5	2014-15	R.S.	The critical study of Vidhur marma with special reference to viddha lakshana (karnabadhira) An -observational Study
6	2014-15	R.S.	Study of Association of occupation (civil construction workers) on Janu Sandhi – A case control study
7	2014-15	R.S.	The study of Vrikka-utpatti in Ayurveda with special reference to Chronic renal Failure
8	2014-15	R.S.	The study of Apra (placenta) and its correlation with Prakriti and weight of newborn
9	2015-16	R.S.	Assessment of Prushthavamsha in Yogasana performing and non-performing males
10	2015-16	R.S.	Study of correlation of Gross anatomy of Garbhashaya with Rajastrav in Vandhyatwa (Primary Infertility)
11	2016-17	R.S.	Comparative study of eruption pattern of permanent dentition with respective to Prakriti.
12	2016-17	R.S.	Comparative study of Menopausal age and symptoms with respective to Prakriti
13	2016-17	R.S.	Study the anti-lipolytic and anti-inflammatory effects of Rakta-prasadhan Dravya in albino Rat with reference to Raktadhara Kala.
14	2016-17	R.S.	Study of Kloma with special reference to Pipasa in COPD

15	2021-22	R.S.	<i>Prakriti versus</i> severity as reflected by structural changes in lungs in SARS COV-2 patients.
Dravyaguna Vidnyan			
1	2013-14	D.G.	Comparative pharmacognostical and physicochemical study of Nagakeshara and its substitutes sold in market as Nagakeshara.
2	2013-14	D.G.	“Evaluation on Seed Germination Rate and Growth Performance of Ashoka (<i>Saraca</i>

			<i>asoca</i> Roxb. De Wilde) and Sarpagandha (<i>Rauvolfia serpentina</i> L. Benth. ex Kurz) with special reference to Vrikshayurveda”
3	2013-14	D.G.	“Comparative Pharmacognostical and Physicochemical Study of <i>Rakta Palash</i> (<i>Butea monosperma</i> (Lamk.)Taub) and <i>Pita Palash</i> and its Antimicrobial Activity in Vitro”
4	2013-14	D.G.	‘Evalution of Antimicrobial (Krimighna) activity of Vacha (<i>Acorus calamus</i> Linn.) Extract with silver Nanoparticles in vitro’
5	2014-15	D.G.	“Comparative study of wild and cultivated Bramhi (<i>Bacopa monnieri</i> Linn.) with special reference to Bacoside A”
6	2014-15	D.G.	“Study of Dhataki Pushpa (<i>Woodfordia fruticosa</i> Kurz.) as a pratinidhi dravya of Yastimadhu(<i>Glycyrrhiza glabra</i> Linn.)”
7	2014-15	D.G.	“A Comparative Physio- Chemical Evaluation of Pippali(<i>Piper longum</i> Lin.) and Shodhit Pippali.”
8	2014-15	D.G.	“Efficacy of Folklore Plant Khandu Chakka (<i>Ehretia laevis</i> Roxb.) Patra siddha Tail in Sandhivata.”
9	2015-16	D.G.	“Comparative Study of Nagakeshara (<i>Mesua ferrea</i> Linn.) and it’s Substitute, Surapunnaga (<i>Ochrocarpus longifolius</i> Benth. and Hook) in Management of Internal Hemorrhoid”.
10	2015-16	D.G.	“Phytochemical Differences between Raw and Processed <i>Haridra</i> (<i>Curcuma longa</i> Linn.)”.
11	2015-16	D.G.	“Physicochemical and Pharmcognostic comparison between roots of male and female <i>Pippali</i> (<i>Piper longum</i> .Linn)”
12	2015-16	D.G.	“A Comparative study of New and Old Jaggery (<i>Naveen</i> and <i>Puran Guda</i>) with respect to its Phenolic content and <i>Laghu-Guruvadi Guna</i> ”
13	2016-17	D.G.	Spermatogenetic effect of <i>Eranda moola</i> (Root of <i>Ricinus communis</i> Linn.) in Male Wistar Rat
14	2016-17	D.G.	Comparative study on efficacy of <i>Hemidesmus indicus</i> (L.) R. Br. and <i>Decalepis hamiltonii</i> Wight & Arn. in <i>Mukhadushika</i> (Acne vulgaris)
15	2016-17	D.G.	Comparative chromatographic study of <i>Ashodhita karpura</i> (<i>Cinnanamomo camphor</i> Nees & Eberm) and <i>Shodhit karpura</i>
16	2016-17	D.G.	Physiochemical studies and Anti microbial activity of Edible oils
17	2017-18	D.G.	Comparative assessment of physic-chemical and photochemical parameters of wild and cultivated Chitraka (<i>Plumbago zeylanica</i> Linn.)
18	2020-21	D.G.	A comparative study on seed germination and growth parameters of Sarpagandha (<i>Rauvolfia Serpentina</i> .L.Benth.ex.Kruz) grown with three different methods
			Ras-Shashtra
1	2014-15	R.B.	“Pharmaceutical standardization of Devdarvyadi Churn Kriya and its Anti-Inflammatory study”
2	2014-15	R.B.	“A Relative Oral Bioavailability of Kukkutanda Tvak Bhasma Compound As Calcium Supplement”
3	2014-15	R.B.	“Standardization and Evaluation of Vrana Ropan Compound.”
4	2014-15	R.B.	“Pharmaceutical Standardization Shrungatakadi tail”
5	2014-15	R.B.	“Pharmaceutical Standardization of Kamdudha Ras w.s.r. to Yadvaji Trikamji
6	2014-15	R.B.	“Standardization And Drug Doses Modification Of Arjuna Ksheerpaka”
7	2015-16	R.B.	Pharmaceutical standardization and characterization study of kapardika bhasma prepared from three different varieties
8	2015-16	R.B.	Pharmaceutical standardization & dosage modification of udumbardi churna and assessment for antimicrobial activity
9	2015-16	R.B.	Standardization of vidangadi lauha and evaluation of its haematinic activity
10	2016-17	R.B.	Drug dosage form modification of Vidangadi Lepa to Vidangadi Lepaguti with its pharmaceutical standardization and antimicrobial activity.
11	2016-17	R.B.	Pharmaceutical standardization of Chinchalavana Tail prepared by using Murchhita and Amurchhita tail.

12	2016-17	R.B.	Preparation and pharmaceutical standardization of Kushmand khand(granules):A modified dosages form of Kushmand Avaleha
13	2016-17	R.B.	Preparation of Shodhan Gana Yoni Varti and its modified form as suppository with their pharmaceutical standardization and comparative study for antimicrobial

			activity along with in-vitro bioavailability
14	2016-17	R.B.	Drug dosage form modification of Yashtimadhvadi Tail to Yashtimadhvadi cream with its pharmaceutical standardization and in vitro antioxidant study.
15	2016-17	R.B.	Preparation and Standardization of Rasapachak kwath, Rasapachak Ghanvati, Rasapachak Vati and its comparative anti-microbial activity and antipyretic activity in Albino Wister Rats.
16	2017-18	R.B.	"Pharmaceutical standardization with drug dosage modification of Dhatryadi Churna & Assessment of its antipyretics activity in Albino rats"
17	2017-18	R.B.	"Pharmaceutical and Analytical Standardization of <i>Khajurasava</i> by adding different <i>Sandhan dravyas</i> (fermentation initiators)"
18	2017-18	R.B.	"Pharmaceutico- Analytical Standardization of Bhallataka Taila (<i>Semicarpus anacardium</i> Linn.) Prepared by two different samples."
19	2017-18	R.B.	"Pharmaceutico-analytical standardization of Bhallataka Taila (oil of <i>Semicarpus anacardium</i> Linn.) prepared from two different samples"
20	2017-18	R.B.	"Pharmaceutical Standardization with Drug Dosage Modification of Dhatryadi Churna and Assessment of its Antipyretic Activity in Albino Rats"
21	2017-18	R.B.	"Pharmaceutical and Analytical Standardization of Kharjurasava prepared by using different Sandhana dravyas (Fermentation Initiators)"
22	2018-19	R.B.	Pharmaceutical and Analytical Standardization of <i>Palash Kshara</i> prepared by two different combinations and evaluation of their diuretic action in Wister albino rats.
23	2019-20	R.B.	Pharmaceutico-Analytical Study of Muktashukti Pishti and Muktashukti bhasma and Comparative Evaluation of their Relative Oral Bioavailability
24	2019-20	R.B.	Comparative Pharmaceutical Standardization and Oral Bioavailability Study on Praval Pishti and Praval Bhasma
25	2019-20	R.B.	Pharmaceutico-Analytical Study Of shankhabhasma Prepared By Two Different Methods And Evaluation Of Its Relative Oral Bioavailability In Healthy Volunteers
26	2020-21	R.B.	Pharmaceutical Standardization and Drug Dosage Modification of Laghu Sudarshan Churna with Comparative Assessment of its Antipyretic and Analgesic Activities in Albino Rats
27	2020-21	R.B.	Pharmaceutical (Nutraceutical)Development, Quality Control Assessment and Comparative Evaluation of Efficacy of Polyherbal Compound for Muscle Gain in Gym Going Healthy Volunteers
28	2020-21	R.B.	Pharmaceutical analytical study of Vidarikandadi Churna and its modified dosage form and assessment of their comparative efficacy for Strength, Stamina and Growth as compared to standard supplement in albino rats
29	2020-21	R.B.	Pharmaceutical and Analytical study of Tryushanadya Lauha & modified form as Tryushanadya Mandura and their comparative evaluation for antidiabetic activity in Wistar rats
30	2020-21	R.B.	Pharmaceutical and Analytical study of Gandharva Haritaki Prepared by Murchhit and Amurchhit Erand Taila and Comparative assessment for In vitro Bio Accessibility
31	2020-21	R.B.	"Pharmaceutico Analytical study of Gomutrasava and Gomutraghana with Evaluation of it's Antimicrobial activity"
32	2021-22	R.B.	Pharmaceutico Analytical study of Manjisthadi Taila and its Modified Dosage Forms as Cream and Serum with Assessment of relative Anti-oxidant activity- In-vitro study
33	2021-22	R.B.	Pharmaceutical development and analysis of Tripatra Parpati and evaluation of its Acute toxicity and antidiarrheal activity in Wistar albino rats."
34	2021-22	R.B.	Comparative pharmaceutico analytical study of Raksognnadi lepa and cream it's assessment of their efficacy in management of Mukhdushika (<i>Acne Vulgaris</i>)
35	2021-22	R.B.	Pharmaceutico Analytical study of Dhananjayadi vati and Assessment for its Antihistaminic Activity
36	2021-22	R.B.	Pharmaceutical preparation and Analysis of Polyherbal Formulations as Ashmaghna Kwatha and Ashmaghna Ghana Vati and Comparative Assessment of their Anti-Urolithiatic Activity in Wistar Albino Rats
			Agad-Tantra

1	2014-15	A.T.	A comparative study of ashodhit and shodhit Bhallataka (<i>Semecarpus anacardium</i> linn) with reference to various shodhana samskara (Purification process)."
2	2014-15	A.T.	"Study of Paravatadi Agada with special reference to its analytical study."
3	2014-15	A.T.	A Comparative study of Alcohol Estimation of Self prepared and Marketed Sample of Draksharishta with special reference to Madya Visha (Alcohol Intoxication)"
4	2014-15	A.T.	A chemical analysis of Arkapatra Taila and evaluation of its efficacy in Vicharchika- A Pilot study"
5	2014-15	A.T.	Clinical study of Dushivishari Agad in kotha with reference to <u>U</u> rticaria."
6	2014-15	A.T.	An experimental study of efficacy of Paravatadi Agada on in dian red scorpion venom (<i>Mesobathus tumulus</i>)
7	2015-16	A.T.	In vitro study in the interaction of Dhatura with Karpas asthi & pushpa, being antidote.
8	2015-16	A.T.	Analytical study of toxic principle in self made & marketed sample of Tribhuvankirti rasa.
9	2015-16	A.T.	Phytochemical study of Kshara Agad to assess its anti-helmenthic activity.
10	2015-16	A.T.	Study of Panch Shirishadi Agada on the basis of physicochemical & phytochemical analysis.
11	2015-16	A.T.	Phytochemical evaluation of Maha Agad & its antimicrobial activity.
12	2015-16	A.T.	Analytical & clinical evaluation of self prepared Vishkalpa (Shweta Lepa) in Shweta (Vitiligo).
13	2016-17	A.T.	Comparative Efficacy of <i>Putikadi</i> Ointment and Ketoconazole in the Treatment of <i>Dadru</i> (<i>Tinea corporis</i>).
14	2016-17	A.T.	Comparative Study of Efficacy of <i>Vishataila</i> and <i>Nimba taila</i> in the management of <i>Vicharchika</i> (Eczema).
15	2016-17	A.T.	Study of Efficacy of <i>Dhattur Beeja</i> Ointment in the Management of <i>Vipadika</i> .
16	2016-17	A.T.	Comparative Physico-chemical and Phyto-chemical Analysis of <i>Bilvadi Agad</i> with special reference to <i>Bhavana</i> (Trituration) of <i>Ajamutra</i> (Goat's urine).
17	2016-17	A.T.	Analytical and Clinical Study of Self- prepared <i>Snuhi Kshir Siddha Taila</i> in the Management of <i>Padavidarika</i> (Cracks in feet).
18	2017-18	A.T.	Effectiveness of Gunja (<i>Abrus precatorius</i> Linn.) beeja lepa in the management of Gridhrasi (<i>Sciatica</i>).
19	2018-19	A.T.	Study on the efficacy of karveeradi Tail in the management of pama w.s.r to scabies
20	2021-22	A.T.	Comparative evacuation of efficacy of Pippalyadi Agada as an adjuvant drug vs Standard drug therapy in the management of acute food poisoning
21	2021-22	A.T.	Comparative evaluation of anti inflammatory activity of Kumkumadi Agada lepa and its modified form (ointment) in Albino Wister rats

			Kaychikitsa
1	2014-15	K.C.	Comparative study of Go Ghrita & Arjun Ghrita on some biological parameters in healthy volunteers.
2	2014-15	K.C.	Comparative study of Ingudi Phalamajja Lepa with & without Internal use of Annatmool Ghana.
3	2014-15	K.C.	Evaluation of Efficacy of Navakarshika Kwath in the management of Shitapitta w.s.r. to Urticaria.
4	2014-15	K.C.	Comparative study of Jeevantyadi Yamak Lepa & Vipadikahar Lepa in the management of Vipadika.
5	2014-15	K.C.	Comparative study of Lodhradi Lepa with & without Arogyavardhini vati in the management of Youvanpidika.
6	2014-15	K.C.	Comparative clinical study of Amlapitta on the basis Dietary Management & Vasaguggul.
7	2015-16	K.C.	A clinical study on evaluation of effect of Khadir Ghruta in Ekakushta with special reference to Psoriasis
8	2015-16	K.C.	Evaluation of effect of Kanchanar Guggul in Subclinical Hypothyroidism with respect to Agnimandya.
9	2015-16	K.C.	A clinical study on efficacy of Sharkaradi mantha (Granules) in management of Karshya with special reference to Malnutrition.
10	2015-16	K.C.	Evaluation of Efficacy of Shandang Guggul & Dashmool tail in management of Janugata sandhivata with special reference to Osteoarthritis.
11	2015-16	K.C.	Evaluation of efficacy of Guduchyadi Yoga in Medorog with Special reference to Obesity.
12	2015-16	K.C.	A comparative clinical study of Mandur bhasma with & without Guduchi Ghana in Pandu with special reference to Iron Deficiency Anemia.
13	2016-17	K.C.	Study on The Effect of Vasadi Kwath Ghana Vati In Tamak Shwas With Special Reference to Chronic Obstructive Pulmonary Disease
14	2016-17	K.C.	Study In The Effect Of Yavkshar Yoga In The Management Of Mutrakrucchra (Urinary Tract Infection)
15	2016-17	K.C.	Study in the Effect of Yava vati in the management of Dyslipidemia.
16	2016-17	K.C.	Study on Efficacy of Standard Treatment Protocol of Amavata(Rheumatoid Arthritis)
17	2016-17	K.C.	Analysis of Nidan (Etiological factors) of Metabolic Syndrome
18	2016-17	K.C.	Study on the effect of Varun Twak Lepa in management of Vyanga
19	2017-18	K.C.	“Effect of of Gokshur (Tribulus terrestris Linn.) On <i>mutravaha strotas</i> ”
20	2017-18	K.C.	Effectiveness of Mukhaprakshalan by Varuna Qwath and Jatiphaladi Lepa in Mukhadushika (Acne vulgaris)
21	2017-18	K.C.	Effectiveness of Kasamardamula Lepa-Gutika with and without Haritaki yoga in management of Dadru (Tinea corporis)
22	2017-18	K.C.	“Effectiveness of Goghrita and Shuktyadi Lepa in the management of Padadari (crack heels)-A comparative study”
23	2017-18	K.C.	Study the effectiveness of Bhrungraj tail on Darunak.
24	2017-18	K.C.	Study the effectiveness of Mukhakantakar ointment in Vyang (Melasma)
25	2017-18	K.C.	Effectiveness of Goghrita and Shuktyadi Lepa in the Management of Padadari (crack heels)-A comparative study
26	2017-18	K.C.	Effectiveness of Kasamardamula Lepa-Gutika with and without Haritaki yoga in management of Dadru (Tinea corporis)
27	2017-18	K.C.	Effectiveness of Mukhakantakar ointment in vyanga(Melasma)
28	2017-18	K.C.	Effect of Gokshur (Tribulus terrestris Linn.) on <i>mutravaha strotas</i> .
29	2017-18	K.C.	Study the Effectiveness of Bhrungaraj tail on Darunak (Dandruff)
30	2017-18	K.C.	Effectiveness of Mukhaprakshalan by Varun qwath & Jatiphaladi Lepa in Mukhadushika (Acne vulgaris)
31	2018-19	K.C.	Evaluation of efficacy of Rudraksh (<i>Elaeocarpus ganitrus roxb. </i>) in the management of stage 1 essential hypertension.

32	2018-19	K.C.	“Study in the effect of Amrutadi Kwath in Sheetpitta with special reference to Urticaria.”
33	2018-19	K.C.	“Study in the efficacy of <i>Duhsparshadi Leha</i> and <i>Kantakari Avaleha</i> in the management of <i>Vataja Kasa</i> ”
34	2018-19	K.C.	Study of effectiveness of <i>Draksha Avaleha</i> in <i>Pandu roga</i> .
35	2018-19	K.C.	Study of the efficacy of <i>Kushthadi yoga</i> in <i>Ekakushtha</i> with Special reference to Psoriasis – A comparative study.
36	2018-19	K.C.	Study of the efficacy of <i>Tryushanadi gudika</i> in the management of <i>Prameha</i> with special reference to Diabetes mellitus type II
37	2019-20	K.C.	Efficacy of pippali rasayana as an adjuvant therapy on pulmonary function in patients of chronic obstructive pulmonary disease
38	2019-20	K.C.	Comparative study on the efficacy of Guduchi Sunthi Yog in Amavata (Rheumatoid arthritis)
39	2019-20	K.C.	Efficacy of Sarjadi Lepa Gutika and Terbinafine Ointment in Dadru (Tinea corporis)
40	2019-20	K.C.	Comparative Clinical efficacy of Tryushanadi Guggul and Navaka Guggul in Sthoulya(Overweight)
41	2019-20	K.C.	Efficacy of Swalpa rason vati and Yograj Guggul in Janugatasandhivata (Knee Osteoarthritis)
42	2019-20	K.C.	Comparative study of efficacy of Murvadya Churna with Lauha Bhasma and Navayas churna in Pandu Roga (IDA)
43	2020-21	K.C.	Comparative clinical study on Mandoor bhasma with and without Swarnakshiryadi yoga vati in the management of Pandu roga wsr to Iron Deficiency Anaemia
44	2020-21	K.C.	“Comparative clinical study on the efficacy of Prapunnadadi Cream and Panchatikta Ghrita Verses Atrisor Cream and Panchatikta Ghrita in the management of Ekakushtha (Psoriasis)”
45	2020-21	K.C.	Comparative study of Nisha-Amalaki and Metformin in Obese patients of Type-2 Diabetes Mellitus (Madhumeha)
46	2020-21	K.C.	Comparative Evaluation of Efficacy of Kulattha Gutika with Atorvastatin in the Management of Dyslipidemia (Medoroga)
47	2020-21	K.C.	Comparative evaluation of Chakramarda ointment and Psoralin Ointment along with guduchi capsule in the management of Kitibha Kustha (Psoriasis)
48	2020-21	K.C.	Efficacy of Medohar Arka in Sthaulya- A single blind placebo controlled clinical study
49	2021-22	K.C.	Comparative evaluation of the efficacy of Kasamardadi Ointment Vs Miconazole Ointment in the management of Sidhma Kushtha (Pityriasis Versicolor). A Randomised controlled trial
50	2021-22	K.C.	Comparative evaluation of efficacy of Jyotishmati Capsule Versus Ashwagandha Capsule in the management of Chittodvega. (Generalized Anxiety Disorder) A Randomised controlled trial.
51	2021-22	K.C.	Comparative evaluation of the efficacy of Gambhari phala granules as against Haridra khanda in the management of Sheetapitta(Urticaria)
52	2021-22	K.C.	Comparative Evaluation of the Efficacy of Standard Market Preparation Tablet And Vrishya Gutika In the Management Of Klaibya (Erectile Dysfunction) A Randomized Controlled Trial
53	2021-22	K.C.	Comparative Evaluation of Efficacy of Trayodashang guggul versus rasona pinda adjuvent with katibasti in the management of grudhrasi (Sciatica): A Randomised Control Trial

54	2021-22	K.C.	Comparative study on bruhaniye effect of kushmanda granules verses ashwagandha granules
----	---------	------	---

			Panchakarma
1	2014-15	P.K.	Evaluation of the efficacy of Moolakadya taila Januvasti in Sandhigata Vata (Gonoorthosis)
2	2014-15	P.K.	Evaluation of the efficacy of Bhrungaraj Taila nasya in jeerna pratishyaya (common cold) 0 A control group comparative study
3	2014-15	P.K.	Evaluation of the efficacy of Rodhradi Ghanavati and Udvartana in Sthoulya (Obesity) - A comparative clinical trial
4	2014-15	P.K.	Evaluation of the efficacy of Swadanstradi Taila Matravasti and Kativasti in Katishoola (IVDP) - A comparative randomized clinical trial
5	2014-15	P.K.	Evaluation of the efficacy of Jeemutaka and Madanaphala Vamana in Tamakashwasa (Bronchial Asthma) – A comparative study
6	2014-15	P.K.	Evaluation and efficacy of Kukkutanda pottali sweda and Kukkutanda upanaha sweda in Manyastambha (Cervical Spondylosis) – A comparative study
7	2015-16	P.K.	Comparative study on Hypoglycemic activity of Khadira-Pooga Vasti and patikashaya in Madhumeha
8	2015-16	P.K.	Evaluation of Hypoglycemic effect with Vamana karma in Madhumeha (NIDDM)
9	2015-16	P.K.	Evaluation of the Trivrutadi Ksheerapaka Virechana in Medoroga (Overweight)
10	2016-17	P.K.	Study of efficacy of virechana in Gridhrasi
11	2016-17	P.K.	Comparative study of Brihatsaindhyavadya Tail and Tila Taila Matra Basti In Janusandhigat vata
12	2016-17	P.K.	Study of <i>Brumhana</i> Therapy in low Body mass index (BMI) People
13	2016-17	P.K.	Study of Haematological changes in six different <i>snehapana</i>
14	2017-18	P.K.	“To evaluate the effectiveness of Kutaj Vamana in Raktachapadhikya (Hypertension)”
15.	2017-18	P.K.	“ Evaluate the effectiveness of <i>Madhur</i> and <i>Amla dravya Matra basti</i> in Katigraha
16.	2017-18	P.K.	“To study the effectiveness of Panchtikta Niruha basti in Prediabetes(Prameha Poorvaroopavastha)”
17	2017-18	P.K.	To Evaluate the effectiveness of Kutaja Vamana in Raktachapadhikyata (Hypertension).
18	2017-18	P.K.	To Evaluate the effectiveness of Madhur Dravya (Ashwagandhataila) and Amla Dravya (Chinchataila) Matrabasti in Katigraha.
19	2017-18	P.K.	To Study the effectiveness of Panchatikta Panchaprasutik Niruha Basti in Prediabetes (Prameha poorvarupa.
20	2018-19	P.K.	Study the effect of Nitya Virechana with Trivrut and Aragvadha Churna in the management of Stage1 Essential Hypertension
21	2018-19	P.K.	Evaluate the effectiveness of Madhur and AmladravyaMatrabasti in Katigraha
22	2018-19	P.K.	To study the effectiveness of Panchatikta Panchaprasutika Niruha Basti in Prediabetic Prameha
23	2019-20	P.K.	Comparative Assessment of Kukkutanda Pinda Sweda and Patra Pinda Sweda in the Management of Manyastambha (Cervical Spondylosis)
24	2020-21	P.K.	Comparative evaluation of Dashamooladi Yamaka Sneha and Shuddhabala Taila Nasya in the management of Vishwachi(Cervical Radiculopathy).
25	2020-21	P.K.	Comparative study of the efficacy of the efficacy of Vamana with Jimutaka Yoga(Luffaechinataroxb) and Ikshvaku yoga(Lagenaria siceraria) in the management of Tamaka Shwasa(Bronchial Asthma).
26	2020-21	P.K.	Comparative evaluation of efficacy of GomayaMashiUdvartana with Petiswedana and RodhradiGanaUdvartana with Petiswedana in the Management of Sthoulya(Obesity)
27	2020-21	P.K.	

28	2020-21	P.K.	Comparative study of efficacy of Modified Mushkakadibasti and lekhanabasti in the management of Dyslipidemia.
29	2020-21	P.K.	Comparative evaluation of ManjisthadiTaila and MahamashaTaila in the management of Avabahuka(Frozen Shoulder)
30	2021-22	P.K.	Evaluation of comparative efficacy of Gokshurataila Matravasti Versus Ashwagandha Taila Matravasti in the management of Katigraha(Pain and Stiffness in lower back).
31	2021-22	P.K.	Evaluation of comparative efficacy of Ashwagandha Siddha Ksheer basti taila with Gokshura siddha Ksheer basti in Karshya- A randomized controlled trial
32	2021-22	P.K.	Evaluation of comparative efficacy of Matravasti versus Akshi tarpana with Yashtimadhu Ghrita in the management of Shushk akshipaka (Computer vision Syndrome)- A randomized Controlled trial.
33	2021-22	P.K.	Evaluation of comparative efficacy of Patoladi Vasti versus Triphala Kwath lekhan Vasti in the management of medoroga(Dyslipidemia)- A Randomized contolled trial.
34	2021-22	P.K.	Evaluation of comparative efficacy of Shankhapushpi taila nasya versus Ksheerabala taila nasya in Anidra- randomized controlled trial
35	2021-22	P.K.	Evaluation of comparative efficacy of Mashadi taila nasya versus Eranda taila nasya in the management of Manyastambha (Cervical spondylosis)- A randomized controlled trial.
			Shalya-Tantra
1	2014-15	S.T.	Camparitive study of traditional khanduchhaka ghruta and jati ghruta on dushta vana
2	2014-15	S.T.	A clinical study to evaluate the cutting effect of udumbar ksheer sutra in the management of Bhagandar
3	2015-16	S.T.	Preparation of Shallaki ksharasutra and its efficacy in the management of Bhagandara.
4	2015-16	S.T.	"A clinical study to evaluate the efficacy of Kshar tail with Udumbar Ksheer-sutra in the management of Bhagandar"
5	2016-17	S.T.	Comparative study of efficacy of Khanduchakka (Ehretia laevis) Ghrita and Go-ghrita in the management of Parikartika (Fissure in Ano)
